

MOTORS KILL THREE, ONE BOY BICYCLIST

Port Richmond Man's Car Runs
Into Pole and Victim Is
Thrown Out.

Motor, vehicular and railroad accidents caused the deaths of four persons in New York and nearby New Jersey yesterday. Three occurred on Staten Island.

When James A. Carney of 91 Bond street, Port Richmond, lost control of his automobile on Port Richmond terrace, it ran into a telegraph pole. Dark Knudson, 31, of Lexington avenue, Port Richmond, who was riding with Carney, was thrown to the pavement. His skull was fractured and he died almost immediately. Carney was arrested.

Marian Caslan, 35, contractor, of Hudson street, Port Wadsworth, Staten Island, was running down the railroad track in Wall street, Rosebank, to board a train, when a westbound train ran and lashed him. Kaufman was thrown from the seat and two wheels of the wagon passed over his body killing him.

Robert Kaufman, 29, of 215 Bloomfield avenue, Hoboken, was killed, and John Farrell, 23, of 314 Park avenue, Hoboken, was seriously injured early yesterday by the overturning of an automobile in which they were riding in Paterson avenue, Carlstadt. Both were pinned under the car. Robert Nolan of 418 Liberty avenue, Jersey City, and a party of friends, heard moans coming from the wrecked motor and liberated Farrell. Kaufman was dead. At the North Hudson Hospital it was found that Farrell had sustained a fractured skull and that his lungs had been punctured by broken ribs. It is thought that he will recover.

Henry Bachelin, Jr., 13, of 8 Berkeley Heights, Bloomfield, N. J., died in Mountsinai Hospital in Glen Ridge, N. J., yesterday from injuries sustained when run down by an unidentified motor car in Bloomfield avenue Friday night. The boy on a bicycle was returning from a meeting of Boy Scouts when struck. He walked to his home, half a mile away, and collapsed.

SOCIETY OF ENGINEERS STARTS ACTIVE SEASON

Governing Council Will Hold
Meeting To-morrow.

The American Society of Mechanical Engineers has enlisted its membership of nearly 20,000 in what is planned to be the most active season in its history. The biggest meeting of the year will be the annual gathering in the Engineering Societies Building, early in December, when John L. Harrington of Kansas City, will succeed Dean Dexter S. Kimball of Cornell, as president.

A meeting of the council, the governing body of the society, has been called for to-morrow. At the close of the meeting the council in a body, and headed by President Kimball, will go to Springfield, Mass., to participate in a three-day regional gathering.

LEAVES BABY TO DIE AND TRIES SUICIDE

Mother Found Self-Wounded
in Bathroom With Child Al-
most Drowned in Tub.

Mrs. Gertrude Provisor, 26, of Passaic, N. J., who has been suffering from a nervous collapse since the birth of her youngest child, Eleanor, two months ago, put the baby in a small bathtub at her home yesterday and then filled the tub with water. Leaving the baby to drown, for they were the only occupants of the apartment at the time, the mother drank poison, then got a bread knife and returned to the bathroom, where she slashed her throat, breast and left wrist and collapsed.

The family lives on the second floor of a building at 331 Main avenue, in which Meyer Provisor, husband of the woman, has a drug store. Two other children, Ruth, 5, and Owen 21 months, were in the store when their mother attempted to drown their little sister and kill herself.

Ruth's craving for a sandwich led to the saving of the baby's life and possibly that of her mother, although at St. Mary's Hospital it was said that Mrs. Provisor probably would die. When she asked her father for something to eat he told her to go up stairs. She got no response when she called for her mother and going to the bathroom found her lying on the floor.

Ruth did not notice the baby lying in the bathtub, but horrified at the sight of her mother she ran down stairs and summoned her father.

Provisor found his wife and the baby unconscious. Taking little Eleanor out of the tub he held her up by the feet and forced part of the water out of her lungs by shaking her violently. Then she was removed to Passaic General Hospital, where she was revived, being later returned to her home.

Mrs. Provisor, meantime, had been removed to St. Mary's Hospital. Most of the poison was removed, but it was said the knife wounds may prove fatal. After thrusting the knife in her throat Mrs. Provisor drew it downward and in this manner inflicted the wound in her breast. She regained consciousness for a few moments at the hospital and told physicians she still wished to die. Their efforts to have her tell why she was tired of life brought only the answer: "Don't bother me."

Mr. Provisor said his wife had been nervous and despondent since the birth of Eleanor and that she had remarked on different occasions that she was tired of living and would welcome death.

We Must Vacate Our 10 Story Building on 36 St.

The cost of moving our huge stocks into high rent warehouses would be prohibitive. Cheaper in the long run to sell out our stocks to the public—even at these ridiculously low prices. Either way we must take a huge loss, but the way we're doing it the public derives the benefit. We're losing money but making friends.
